## GLS HAS IMMEDIATE OPPORTUNITIES FOR: ARABIC LINGUISTS

GLS's mission is to provide quality translators and interpreters to military operations in Iraq and throughout the Middle East.

Our goal at GLS is to provide the best customer service possible to our two main customers, the U.S. Government and our Linguists. GLS has brought to this effort experienced, dedicated and devoted management staff who understand the complexities of conducting linguist operations in harsh environments.

The GLS team consists of experienced military and business professionals in the field of linguist services, language training and testing, recruiting, intelligence, U.S. Military operations in Iraq and Afghanistan, information management technology, and site management.

GLS is seeking experienced leaders with deployment experience for opportunities in Iraq.
